(with Hands), meaning, with strength, according to `Abdullah bin `Abbas, Mujahid, Qatadah, Ath-Thawri and several others,

(Verily, We are able to extend the vastness of space thereof.) means, `We made it vast and We brought its roof higher without pillars to support it, and thus it is hanging independently.'

(And We have made the earth a Firash), meaning, `We have made it a resting place for the created,'

Have they transmitted this saying to these Nay, they are themselves a people transgressing beyond bounds!) (54. So turn away from them, you are not blameworthy.) (55.
